# HOW TO USE YOUR MATCHED GIVING FORM

Between April 2020 and March 2021, food banks in the Trussell Trust's network gave out more than **2.5m** emergency food parcels.

That's a **33% increase** compared to the previous year.

During this extraordinarily difficult year, more than **980,000** emergency food parcels were given to children - that's almost two parcels every minute.

Hunger in the UK isn't about food, it's about people not having enough money for the basics. We know change is possible.

It's time to work together to build a hunger free future.
